

**1 Tire Levers**

Award winning, universally loved tire levers feature molded box construction and a proprietary plastic composite blend that makes them the strongest levers available. The unique chisel tip shape easily inserts beneath the tire bead and the slightly thicker shape keeps the lever securely in place. Additionally, the bold shape of the lever and helpful dual spoke hooks makes removal of even the tightest tires a simple task.

**2 Six-Pack Chain Tool**

The Six-Pack Chain tool is made from heat-treated tool steel for strength and lasting performance. The small ergonomic design fits almost anywhere but performs like a full size chain tool. Also features integrated 3.2, 3.3, and 3.5mm spoke wrenches.

**3 Screw Driver Set**

These professional grade screwdrivers are designed for ease of use, comfort, and lasting durability. Includes #2 Philips and 5.5mm Flatblade.

**4 Cable Cutter**

The Pedro's Cable Cutter is an industry favorite and when put to the test against the competition and you will quickly see why. Our cable is designed for years of service, for comfortable and easy usage, and with extra jaw overlap ensuring a clean cut every time.

**5 Cassette Lockring Socket**

Pedro's cassette lockring socket provides the professional quality, precision fit tool required to properly install or remove cassette lockrings. Pedro's designed this socket tool to fit perfectly protecting the component and ensuring simple and safe usage for the mechanic. Designed to be used with Pedro's snap-channel Pro Socket Handle, any 24mm socket/wrench, or in a bench vise. Fits all Shimano®, Sram®, SunRace®, SunTour®, Chris King®, and other HG standard cassette lockrings and Shimano® disc brake lockrings.

**6 Pro Chain Whip**

Pedro's Pro Chain Whip takes inspiration from our beloved Vise Whip, applying many of the same functional principles to a more traditional chain whip design. The innovative chain retention hook locks tool onto cassette, ensuring full chain wrap and eliminating slippage. Tool geometry offers maximum effective leverage and compact 270mm length. Compatible with all multi-gear cassettes including most 12-Speed\*. Chain retention hook fits cogs up to 18 teeth. Integrated fixed gear locking wrench optimized for 41-42mm OD lockrings.

**7 Pro Travel Pedal Wrench**

Pulling inspiration from our shop wrenches, and using the same laser cut tool steel construction, the Pro Travel Pedal Wrench makes quick work of tough pedals and now doubles as a socket driver for use with Pedro's professional socket tools. Features include a long 300mm length, cushioned plastic grip for control and comfort, heat-treated tool steel construction for strength and lasting performance, new 24mm socket driver, and a precision cut 15mm wrench opening positioned at a 30 degree offset to improve mechanical advantage and wrench positioning. The smaller, lightweight, 215g design is perfect for travel and easy to fit in the toolbox.

**8 Toothbrush**

Pedro's ergonomically-designed Toothbrush uses short, stiff bristles up front for use on chains, chainrings and cassettes. At the opposite end, longer, larger diameter bristles reach deep between the cassette cogs for thorough cleaning.

**9 L Hex Wrench Set**

We made these wrenches from heat-treated SNCM-V alloy steel to ensure superior strength and lasting performance. Pedro's hex wrenches also feature extra length and a round-style end for better leverage and easy access and handling of hard-to-reach bolts. The set includes 1.5, 2, 2.5, 3, 4, 5, 6 & 8mm sizes.

# Starter Tool Kit Task Capability Guide

Thank you for choosing Pedro's!  
This guide is intended to provide an overview of common tasks which this kit is capable of and the tools that are generally used.

Component	Task	Tool 1	Tool 2	Tool 3	Tool 4
Tire	<i>Installation/Removal</i>	Tire Levers			
Cassette/Fixed Gear Lockring	<i>Installation/Removal</i>	Cassette Lockring Socket	Pro Chain Whip	Pro Travel Pedal Wrench	
Brake/Shifter Cable and Housing	<i>Installation/Replacement</i>	Cable Cutter	L Hex Wrench Set		
Brakes (General)	<i>Installation/Adjustment</i>	L Hex Wrench Set	Phillips Screwdriver	Flatblade Screwdriver	
Disc Brakes	<i>Adjustment</i>	L Hex Wrench Set			
Derailleur	<i>Installation/Adjustment</i>	L Hex Wrench Set	Phillips Screwdriver	Flatblade Screwdriver	
Saddle	<i>Installation/Adjustment</i>	L Hex Wrench Set			
Pedal	<i>Installation/Removal</i>	Pro Travel Pedal Wrench	8mm L Hex Wrench	L Hex Wrench Set	
Chainring	<i>Installation/Removal</i>	L Hex Wrench Set			
Chain	<i>Installation/Removal</i>	Six Pack Chain Tool	L Hex Wrench Set		
Cockpit (Bar, Stem, Levers, Shifters)	<i>Installation/Adjustment</i>	L Hex Wrench Set			
Wheel	<i>Truing</i>	Six Pack Chain Tool			
Drivetrain	<i>Cleaning</i>	Toothbrush
